The annual report of the municipality for the 2021/2022 financial year was tabled to the Council at its Special Council meeting held on **25 January 2023** in terms of section 127 (2) of the Local Government: Municipal Finance Management Act, 2003.

### **In the minutes of the Special Council sitting held on the 25 January 2023, Council resolved that:**

- Council adopt the Annual Report 2021/2022
- The Annual report 2021/2022 be made public for comments by the community.
- The Municipal Manager forward the Annual Report 2021/2022 to the MEC: Cooperative Governance and Traditional Affairs, MEC: Finance and Auditor-General South Africa.
- The Annual Report 2021/2022 be posted on the Municipal website.
- MPAC to write an Oversight Report on the Annual Report 2021/2022 as required by sections 32 and 129 of the Municipal Finance Management Act.

### **3. PROCESSES FOLLOWED BY MPAC**

#### **3.1. The MPAC adopted the following approach:**

- The Committee considered the Annual Report 2021/2022 of the municipality and noted that the compilation of the report was done according to the legislated requirements.
- The committee embarked on site visits to projects indicated on the annual report.
- **Memorandum was forwarded to the Accounting Officer with preliminary questions.**

#### **3.2. SITE VISITS**

##### **MPAC visited projects as follows:**

##### **3.2.1. MARITE PACKAGE PLANT**

- The project is complete and but water does not reach all the communities as the package plant does not operate 24 hours due to security reasons

##### **Recommendations**

- More security personnel (preferably men) be assigned to the package plant in order for it to operate 24 hours.

##### **3.2.2. WATER RETICULATION PROJECT AT CROSSROAD MARITE**

- The project work is complete but residents still have no water
- ##### **CHALLENGES**
- Loadshedding
  - The Marite package plant not operating 24 hours due to safety of the employees
  - Illegal connections and the community tampered with the valves

##### **3.2.3. WATER RETICULATION AT THUSANANG**

- The project is complete

- 650 stand pipes, 2 boreholes were constructed and a 2ML steel tank and construction of geo-cells on all erosion prone areas.
- There is a problem with the outlet that needs maintenance.

#### **3.2.4. WATER RETICULATION AND YARD METER CONNECTION AT KILDARE A**

- The project scope was to connect 1 300 households, which is not done.
- Currently the contractor has abandoned site.
- Connections still need to be done.

#### **Recommendations**

The Accounting Officer must intervene on the project in order for service delivery to exist.

#### **3.2.5. CONSTRUCTION OF CULVERT BRIDGE AT LILLYDALE – XIDAKANANI TO NEW STANDS**

- The culvert bridge is on the ground but it needs maintenance as it has already dilapidated.

#### **3.2.6. PAVING OF INTERNAL STREETS PROJECT AT RONALDSEY**

- The paving project is 100% complete and of good quality.

#### **3.2.7. WATER RETICULATION AT MASANA MPHENYATSATSI AND BUSHBUCKRIDGE PHASE 2**

- Project complete, construction and connections of 1058 households with water metered standpipes completed and the households have access to water.

### **3.2.8. CONSTRUCTION OF CULVERT BRIDGE AT SHATALE – MATHULE TO SERISHA**

The committee cannot express any recommendations or challenges because the current Ward Councilor does not have any information on the whereabouts of the culvert bridge.

### **3.2.9. WATER RETICULATION PROJECT AT SHATALE RDP**

- The project is 100% complete but the community still does not have access to water.

#### **Challenges**

- Connection needs to be done from a reservoir in the neighboring ward and the community members are boycotting.

#### **Recommendations**

- The Executive Mayor must intervene in order for the connection to occur as the municipality has spent a lot of money in the project for it to end up as a white elephant.

**3.2.10. CONSTRUCTION OF CULVERT BRIDGE AT AGINCOURT – RDP TO NEWINGTON B**

The committee cannot express any recommendations or challenges because we did not have any information on the whereabouts of the culvert bridge.

**3.2.11. PAVING OF INTERNAL STREETS PROJECT FROM MP STREAM TO LANGA HIGH SCHOOL**

- The construction of 1.9km of paving road using 80mm interlocking paving blocks is 100% complete and of good quality.

**3.2.12. WATER RETICULATION PROJECT AT ZOLA PHASE 1 AND PHASE 2**

- Project is complete but the reservoir takes time to be filled
- There are 2 tanks that supply Zola and Mambumbu but the residents of Zola do not have access to water

**Recommendations**

- As the pumping machine is too small for the 2 reservoirs, a big pumping machine must be installed.
- Reliable personnel must be assigned to control the valves.
- The water must be rationed.
- The machine at the plant must be changed.

**3.2.13. TARRING OF INTERNAL ROAD PROJECT FROM TINTSWALO VILLAGE TO ORPEN GATE**

- The project is 100% complete

**3.2.14. CONSTRUCTION OF ACORNHOEK SPORTS FACILITY PROJECT PHASE 2**

- The progress on phase 2 is on 9%

**3.2.15. PAVING INTERNAL STREETS PROJECT AT ROOIBOKLAAGTE CEMETERY**

The project is 100% complete

**3.2.16. TARRING OF INTERNAL STREETS PROJECT AT CASTEEL TEMBISA HIGH SCHOOL PHASE 1 AND 2**

- Phase 1 project is complete but the road markings are not yet done.
- There is no progress on phase 2 due to non-payment from the main contractor
- Cabs which were installed are now damaged

**Recommendations**

- The main contractor must pay the local subcontractors in order for work to continue

**4. THE FOLLOWING ARE CONCERNS RAISED BY MPAC**

- a) The Accounting Officer does not exercise internal control
- b) The Accounting Officer does not ensure a quality annual report
- c) The many errors in the annual report are not rectified before it becomes public as per MPAC recommendations.

**5. GENERAL COMMENTS ON THE CONTENT OF THE ANNUAL REPORT**

- All Councilors should play an active role in the thorough review of the annual report.
- While the 2020/2021 Annual Report was drafted according to Circular 63 guidelines, there are many errors and information that indicate a "copy and paste" in the report which MPAC has noted that need to be corrected before the report can be submitted to the MEC: CoGTA and be made public.

## **6. RECOMMENDATIONS**

**MPAC recommends that:-**

- Council having fully considered the 2021/2022 Annual Report of the Bushbuckridge Local Municipality adopts the 2021/2022 Oversight Report.
- The 2021/2022 Oversight Report be uploaded on the municipal website.
- The Accounting Officer must implement all the MPAC recommendations.

**Response**

The revenue collection is yielding results, however, the results are small. The municipality continues to struggle to collect historical debt from government, whereas collection from households and businesses is very minimal. Financial analysis ratios indicates a drastic reduction in debt collection period (after impairment) from 905 days in 2021 financial year to 497 days in 2022, indicating that the debt collection efforts are yielding significant results. The percentage is not a meaningful financial analysis measure for debt collection, and we have hence provided a meaningful measure of debt collection period.

# ANNEXURE C

**BUSHBUCKRIDGE**  
LOCAL MUNICIPALITY

**UIFW Reduction Strategy**  
**2021/22**

## **Introduction**

Strategy must address historical figures, including figures subsequent to the 2019/2020 financial year and identify root causes and provide clear actions, responsibilities and realistic timelines for conclusion. Implementation of effective consequence management for deliberate and negligent transgression that caused UIFW expenditure

Develop and implement preventative internal controls to stop ongoing non-compliance and intensify oversight and monitoring to ensure prompt implementation of the UIFW reduction strategy

### **Accounting officer & municipal councils must:**

- Set a zero tolerance for non-compliance.
- Implement strong, sustainable preventative controls.
- Ensure establishment of DC boards and capacitate them, including MPAC to act strongly against incurrence of UIFW.
- Set clear medium-term goals to achieve the targets.
- Update UIFW register to monitor progress.
- Identify risks and implement mitigating measures.
- Take all reasonable steps to ensure that the resources of the municipality are used effectively, efficiently and economically
- Take all reasonable steps to ensure that unauthorised, irregular or fruitless and wasteful expenditure and other losses are prevented
- Ensure that the municipality recovers UIFW expenditure from the person liable for that expenditure unless the expenditure is, after investigation by a council committee, certified by the council as irrecoverable and written off by the council in line with Section 32(2)b of the MFMA

### **Reporting**

- The Accounting Officer must promptly inform the mayor, the MEC for local government in the province and the Auditor-General South Africa, in writing, of—
  - any unauthorised, irregular or fruitless and wasteful expenditure incurred by the municipality.
  - whether any person is responsible or under investigation for such unauthorised, irregular or fruitless and wasteful expenditure; and
  - the steps that have been taken to recover or rectify such expenditure; and to prevent a recurrence of such expenditure.

### **Internal audit**

- Provides independent, objective assurance and consulting to add value to and improve an organisation's operations

- Evaluates and improve the effectiveness of risk management, control and governance processes
- Must be alert to fraud risks and design audit procedures and indicators that reasonably assist in preventing and detecting potential or actual fraud and corruption.
- Internal audit to advise and provide assurance on the development and implementation of the UIFW reduction strategy

#### **Audit committee**

- Advises the municipal manager and council on governance, risk management and control frameworks, compliance and performance management.
- Assist in following up on implementation of financial misconduct regulations and make recommendations to council.
- May investigate municipal financial affairs, but not similar in nature to the disciplinary board investigation, which relates to the conduct of individuals.
- Advise municipal manager on the implementation of the UIFW reduction strategy and provides assurance on the adequacy, reliability and accuracy of the strategy.

#### **MPAC**

- Investigate UIFW in an objective and diligent manner.
- Assist the municipal council to hold administration accountable for the implementation of the UIFW reduction strategy.
- Provides recommendations to council on further steps to be taken regarding disciplinary proceedings, or any other relevant steps to be taken.

#### **IMPLEMENTATION PLAN**

The Accounting officer to:

- Implement a proactive approach to identify risks affecting the municipality and ensure that these risks are mitigated by implementing appropriate preventative controls.
- Intensify oversight and monitoring to ensure that this strategy is adequately implemented diligently to address persistent internal control deficiencies, including those causing repeat material findings on supply chain management.
- Ensure that controls and oversight mechanisms are in place to proactively prevent or detect noncompliance, while continuously monitoring the control environment
- Facilitate and support the ongoing capacitation of MPAC to investigate UIFW expenditure.

## **1 THE PURPOSE**

The purpose of this document is to outline the Operation Clean Audit 2024 Strategy for Bushbuckridge Local Municipality

## **2 GUIDING VISION**

By 2024, the Municipality must achieve a clean Audit on the Annual Financial Statements and implement appropriate systems to maintain and sustain the quality of financial statements and management information.

## **3 GOAL**

- 3.1 To map activities and measurable outcomes to achieve sustainable improvement in financial management and governance that will yield a clean audit opinion by 2024.
- 3.2 To address all issues raised by the Auditor General and internal audit unit to reduce vulnerability to financial management and governance risks in the Municipality through targeted activities.

## **4 OBJECTIVES**

- 4.1 Improving the availability of quality supporting documentation to support the financial statements and management information;
- 4.2 Strengthening governance structures and governance activities;
- 4.3 Strengthening capacity building initiatives of all officials and political office bearers;
- 4.4 Strengthening capacity to implement Operation Clean Audit;
- 4.5 Sharing information and knowledge management within and amongst all stakeholders, including the Provincial Treasury, Cogta, and Departments within the Municipality.

---

<sup>1</sup> Unqualified audit opinion with no matters under compliance with laws and regulations or predetermined objectives.

## **5 PROGRAMME PERFORMANCE INDICATORS**

- 5.1 Between 2016/17 and 2020/21 FY, the Municipality achieved four (4) unqualified Audit opinions and one (1) qualified opinion.
- 5.2 By the end of 2021 FY, 99% of the findings raised by the Auditors have been resolved and the Municipality had maintained the Unqualified Audit Opinion
- 5.3 During the 2022 Strategic Planning of the Municipality, an analysis of the issues raised by AG(SA) revealed deep rooted challenges that required a different approach to the traditional Audit Action Plan that would address the issues raised and assist the Municipality in achieving the Clean Audit by 2024.
- 5.4 The Approach followed was then to develop a Clean Audit Strategy with performance indicators aimed at resolving root causes and all matters at a high level that are preventing the Municipality from achieving a Clean Audit.

## **6 BACKGROUND**

- 6.1 The 2021 Auditor- General's report revealed ineffective internal control and governance environments (internal audit, risk management and audit committees), poor performance management and the absence of integrated systems, especially financial management systems, which negatively impacts on the Municipality's ability to ensure good governance and accountability.
- 6.2 Challenges identified includes among others:
  - ✓ Lack or inadequate leadership and supervision;
  - ✓ Inadequate financial management, expenditure management, credit control, debt management, risk management and internal audit;
  - ✓ Material misstatements of amounts disclosed in financial statements submitted for audit;

- ✓ Unavailability of supporting documentation to support financial statements and management information
- ✓ Poor interface between financial and non-financial information (in-year-monitoring and quality annual reporting);
- ✓ Inadequate asset management;
- ✓ Lack of systems to manage audit queries and recommendations by both internal and external auditors, i.e., late responses to auditors' finding by management;
- ✓ Inadequate systems to manage good governance practices (especially, conflict of interest and accountability frameworks);
- ✓ Leadership and management inaction, especially regarding following up on audit queries, both from internal and external auditors;
- ✓ Inadequate administrative and political oversight to strengthen accountability and responsibility (oversight);
- ✓ Personnel shortages in the office of the CFO or Budget and Treasury office;
- ✓ Poor debtors management;
- ✓ Non-compliance to the prescripts of the Municipal Finance Management Act and Preferential Procurement Policy Framework Act and their related regulations;
- ✓ Inadequate human resource management practices;
- ✓ Lack of consequence management for poor performance and other transgressions; and
- ✓ Weak risk management

6.3 The Auditor General has identified the following actions to be taken to improve audit outcomes:

### 6.3.1 Leadership

Those charged with leadership and governance need to: -

1. Show commitment to improve on the audit outcomes by creating an environment conducive to sound financial management and improved service delivery;
2. Review and monitor the action plans to address all significant internal control deficiencies, on a continuous basis;
3. Place people with the appropriate skills in appropriate positions to ensure compliance with applicable laws and regulations;
4. Fill all critical vacancies in finance, internal audit, and other significant components within a reasonable time;
5. Implement action plans to address user IT access control deficiencies.

### **6.3.2 Financial and performance management**

Management needs to ensure that: -

1. There is proper records management and that supporting documents are properly filed and easily retrievable;
2. Fixed asset registers reflect the assets owned by the institution and agree to the financial records and financial statements;
3. All reconciliations and suspense accounts are cleared and monitored on a monthly basis;
4. Budget, expenditure, and cash flow trends are analysed monthly
5. Accurate financial statements and performance information are produced monthly and supported by relevant and reliable documentation;
6. Compliance with the MFMA and related regulations are monitored on a monthly basis;
7. Application systems are not susceptible to compromised data integrity.

### **6.3.3 Governance**

Those charged with governance in the institutions must: -

1. Improve the effectiveness of internal audit, risk management and audit committees through continuous monitoring;
2. Maintain effective risk management strategies, including fraud prevention plans;
3. Monitor and evaluate risks relating to IT systems, including implementation of action plans to address IT audit outcomes;
4. Monitor the IT governance framework.
5. Implement immediate consequence management for poor performing personnel at all levels.

## 7 OVERVIEW OF AUDIT OUTCOMES – 2016/17 TO 2020/21

7.1 The Audit outcomes over the last five years are as follows.

Audit Year	2016/17	2017/18	2018/19	2019/20	2020/21
Audit Opinion	Unqualified	Qualified	Unqualified	Unqualified	Unqualified

### 7.2 Number of issues per department:

Vote No	DEPARTMENT	2016/17	2017/18	2018/19	2019/20	2020/21
1	Financial Reporting	7	9	15	11	9
1.1	CFO Office	0	1	5	0	0
2	Expenditure	14	40	21	14	13
3	Revenue	8	17	13	15	6
4	SCM	27	39	29	42	28
5	Budget	4	3	1	3	3
6	Asset management	4	14	17	15	22
7	EDPE	1	1	2	2	1
8	Technical Services & AOPO	21	27	8	14	7
9	Community Services	0	1	0	2	1
10	Corporate Services	7	7	7	11	13
12	Internal Audit	0	2	0	4	0
13	Municipal Manager	0	1	2	5	1
13.1	- Risk Management	0	0	0	0	2

As can be seen above, since 2016/17 FY, the Municipality has ~~not~~ had a steady improvement in the number of findings raised by AG(SA). Unfortunately, there was a small regression in 2017/18, but the situation was rectified in the next financial year. The aim is to achieve an unqualified opinion with no findings by 2023/24 FY.

## **8 AUDIT OUTCOMES AND PREDETERMINED OBJECTIVES CONCLUSIONS 2016/17 TO 2020/21**

The Auditor General<sup>1</sup> does not express an opinion on the predetermined objectives, however conclusions expressed on the predetermined objectives is of concern and require improvement in the conclusions expressed by the AG. Strategies to address the issues raised in the Audit of the predetermined objectives are included here-in to ensure that the Clean Audit is an institutional goal covering all facets of the Audit.

## **9 APPROACH AND IMPLEMENTATION OF OPERATION CLEAN AUDIT 2024**

- 9.1 The Municipality must develop an Audit Action Plan addressing the root causes of all findings.
- 9.2 Transversal units, i.e., (Assets, Financial Reporting, Supply Chain Management, Risk Management) and the MFMA Support in both Cogta and Provincial Treasury to provide strategic support to the Municipality.
- 9.3 The Audit Steering Committee must meet bi-weekly with all relevant stakeholders present to review progress in implementation of their Clean Audit Strategy and prepare a report for submission to Council.
- 9.4 The Audit Steering Committee must prepare a quarterly progress report to the Operation Clean Audit 2024 Executive which should be chaired by the Executive Mayor.
- 9.5 Implementation of any Audit Steering Committee resolutions must be monitored by Internal Audit.

**COMMUNITY BURSARIES**

**1. STRATEGIC THRUST**

Community bursary.

**2. OBJECTIVE**

- a) To request council to note the report on Community bursary.
- b) To request council to adopt the reviewed bursary policy.

**3. SUMMARY**

**3.1 INTRODUCTION**

BLM through the portfolio committee of Social Development has opened an opportunity for the indigent young people wishing to further their studies in tertiary institution by availing a bursary scheme. The bursary advert closed on 28 January 2023. The Council approved bursary committee set to adjudicate on the applications received in line with the current policy and AG management letter.

**3.2 Background**

BLM has awarded student bursaries every year. Many students have benefited from this initiative over the years.

Attached are lists of student currently receiving bursaries for first year, second year and third year academic years.

**4. PROBLEM STATEMENT**

Many indigent young people have often failed to access tertiary education due to their family financial background, hence the community bursary program.

Previously the community bursary program has its short comings and challenges from an operational and management point of view, hence the need to overhaul the bursary program management and its operation and as well the review of the bursary policy, see attached ANNEXURE A.

Some of the bursars opt-out the bursary program because of number of reasons like getting other bursary sponsors, getting NASFAS etc.

## **5. FINANCIAL IMPLICATIONS**

R6 000 000 is budgeted for 2022/2023 financial year.

## **6. LEGAL IMPLICATIONS**

Funds to be used in tandem with the MFMA.

## **7. RECOMMENDATIONS**

**It is recommended that:**

- (a) Council note the progress report on bursary program.
- (b) Council note and approved the reviewed community bursary policy, attached ANNEXURE A.
